Update to CoCreate 17.0 from CoCreate 15.0

Overview

Course Code          TRN-2903-T
Course Length        1 Day

Update to CoCreate 17.0 from CoCreate 15.0 is a course that updates you on this version of the tool. You will learn about new functionalities introduced. This course will include overall usability improvements, 2-D, Machine, Modify 3-D, and Annotation updates.

Course Objectives

• Understand the new usability improvements.
• Understand the new 2-D improvements.
• Understand the new Machine commands and changes.
• Understand the new Modify 3-D improvements.
• Understand the new features in Annotation.
Prerequisites

- Must be able to interpret engineering drawings, and have an understanding of drafting concepts.
- Must have experience in the development of 2-D and 3-D design using CoCreate Modeling.
- Previous CoCreate Modeling classes is a great plus.
- **Course Owner**
  - Paul Liu
- **Course Review Team**
  - Katelyn Stevens
- **Course Approval Team**
  - Click here and type the name.
  - Click here and type the name.
- **Course Developer(s)**
  - Paul Liu
- **GS Dev Administrator**
  - Click here and type the name.

Audience

- Designers
- Mechanical engineers
- Industrial designers
- Illustrators
- Tooling designers
