Standard Document Management with Windchill ProjectLink 10.1

Overview

Course Code: WBT-3724-0
Course Length: 1 hour

In this course, you will learn the basic skills necessary to perform typical document management tasks using Windchill ProjectLink 10.1. You will learn document management skills, such as creating and modifying documents. This course constitutes a comprehensive review of Standard Document Management functionality. In addition, the content is built to support topic-based course configurations.

At the end of each module, you will complete a skills assessment. The questions are used to help reinforce your understanding of the module topics and form the basis for review of any topics, if necessary.

Course Objectives

• Identify the capabilities of a standard document.
• Set document preferences.
• Create documents.
• Modify documents.
• Create document relationships.
Prerequisites

- WBT-3720-0 Locate and View Information with Windchill ProjectLink 10.1
